

ZIYADULAYEV JAMOLIDDIN

ABOUT

Experienced Frontend Developer with over 4 years in the field, including 3 years of working with HTML, CSS, and JavaScript in a library/framework-free environment. Recent experience includes advanced work with SASS and React.

EDUCATION

2021 - 2022 YY.

. Completed an intensive Frontend development course at Wepro to deepen my understanding of web programming. Following the course, I took on freelance projects and successfully delivered several solutions.

2023 - 2024 YY.

Completed advanced React training and further developed foundational knowledge at Proweb.

EXPERIENCE

2024 Y.

While I have not worked in a company setting, I have continued to develop my skills through freelance work. Recently, I completed the following projects:

- I developed a discount timer for a beauty salon website.
- Resolved issues and added new features to an existing website.

TECHNICAL STACK

- HTML
- CSS, SCSS
- JavaScript
- React + Vite
- Git, GitHub

TOOLS

- react-router-dom
- Redux toolkit
